(Neb)-Drugs Seized But No Arrests In Gordon Search Warrant Raid

GORDON - The Sheridan County Attorney's Office says service of a search warrant Monday afternoon in Gordon resulted in the seizure of marijuana and drug paraphernalia, but no arrests...at least not yet.

Deputy County Attorney James McCave says in a news release that the search warrant had been issued as a result of evidence gathered in an unrelated criminal investigation by the Gordon Police Department.

McCave says the investigation remains open with no charges filed at this time. Taking part in Monday's search were members of the Gordon Police, Nebraska State Patrol, and Sheridan County Sheriff's Office.
