ALLIANCE - Monday's winter storm is being blamed for a traffic accident about 11:30 in the morning on Highway 385 that claimed the life of an Alliance woman.

The Nebraska State Patrol says 35-year-old Lisa Penaluna was northbound near Dunlap and the road to Box Butte Reservoir about 11:30 when she lost control on icy pavement and went into the southbound lane, where her vehicle was hit by a semi.

Penaluna died of injuries suffered in the collision while the driver of the semi, Gary Chestnut of Kansas, was unhurt. Both were wearing seatbelts.
