(Neb)-*Aquatics Center Closure Extended Until Thursday**

By: John Axtell Posted at: 03/12/2018 10:40 AM

CHADRON - The Chadron Aquatics and Wellness Center will remain closed two more days than thought and will now reopen on regular hours on Thursday.

Center spokesman Janet Johnson says the center was closed at noon on Friday when the heating system for the swimming pool failed.

Technicians from the company that installed the equipment determined the problem and ordered parts to make the needed repairs, but Johnson says it's taking longer to get then parts than expected.

They're now scheduled to arrive on Wednesday and Johnson says the company expects to have all the repairs completed in time for the pool to warm to usable levels on Thursday.

A new heating system was installed as part of converting Chadron's outdoor pool into the Aquatics Center, so the costs of repairs are covered by warranty.
