(Neb.)-Grass Fire In Central Nebraska May Have Been Caused By Vehicle

By: Roxie Graham-Marski Posted at: 09/27/2012 10:47 AM

NORTH PLATTE, Neb. (AP) - Authorities say a grass fire has blackened a little over three square miles north of North Platte in western Nebraska.

The blaze was reported a little after 5:00 p.m. Wednesday. Crews and trucks from 10 departments soon were involved, and they have contained the fire.

Authorities think the fire was started by a vehicle driving in tall grass.
