(CHADRON)-Chadron Police officers have conducting an investigation into the illegal distribution of narcotics over the last several weeks, which has resulted in the seizure of drugs and the arrest of 18-year-old Rusty J. Sitting Holy. The Chadron PD was able to purchase a small amount of psilocybin mushrooms from Sitting Holy during the investigation. Sitting Holy sold the mushrooms from his residence at 231 N. Lake Street in Chadron, which is located within 1,000 feet of a city park.

On October 25th, officers applied for and served a search warrant on Sitting Holy's residence and seized marijuana, marijuana pipes, ammunition, and cellular phones. Sitting Holy was arrested for delivery of psilocybin mushrooms within 1,000 feet of a city park, a Class ID felony, possession of marijuana less than 1 ounce, and possession of drug paraphernalia, both infractions. Sitting Holy also made threats to a witness in a separate investigation being conducted by Chadron police officers and WING and was charged with tampering with a witness, a Class IV felony.

Chadron Police were assisted by the WING/HIDTA Drug and Violent Crime Task Force (WING), which is partially funded through a grant by the Nebraska Crime Commission.
