By: Roxie Graham-Marski Posted at: 12/28/2012 08:15 AM

(CHADRON)-A snow emergency that was declared by the City of Chadron for this morning has been lifted, but officials are still urging the public to exercise caution as city crews are still working around town.

When a snow emergency is issued, all vehicles, boats, trailers, and motor homes must be moved off the designated emergency snow routes. Vehicles that are not moved may be towed.
