(Neb.)-New Book Examines University Of Wyoming History Through Photos

By: Roxie Graham-Marski Posted at: 12/17/2012 07:33 AM

LARAMIE, Wyo. (AP) - There's a new book recognizing the University of Wyoming's 125th anniversary.

The book is titled "University of Wyoming" and was put together by the associate director of UW's American Heritage Center and the head of the Emmett D. Chisum Special Collections at UW Libraries.

It offers a 128-page pictorial history illustrated with more than 200 vintage and modern photos, as part of Arcadia Publishing's "Campus History Series."

The authors say the idea for the project stretches back years but it was timed to coincide with UW's 125th anniversary this year.

Photos within the book came from the Heritage Center, the library or other UW sources. The university's 1904 football team graces the cover.
