BOX ELDER, S.D. (AP) - The South Dakota Governor's office has awarded Box Elder a \$50,000 grant to replace playground equipment.

The money from the Land and Water Conservation Fund will be used this spring to replace playground equipment in Boykin Park.

FourFront Design assisted the city with the grant application.

The grant program gives money to projects that enhance the use and enjoyment of outdoor activities.

The program provides up to 50 percent of the cost of the project and the funds are sponsored by the National Park Service and administered in South Dakota by the State Department of Game, Fish & Parks.
