LINCOLN, Neb. (AP) - The Nebraska Department of Aeronautics is seeking submissions for its annual aviation art contest. The contest is designed to inspire youth interest in aeronautics, engineering, math and science. It's aimed at three youth age groups: Children ages 6-9, 10-13, and 14-17. This year's theme is "My Favorite Air Sport." Participants are encouraged to think about the kind of aircraft they would pilot for fun, whether it's an airplane, helicopter, balloon, glider or space ship. Entries must be postmarked by Jan. 28. An awards ceremony will be held in April. For information and an entry brochure, contact David Morris at 402-471-2371 or [David.Morris\(at\)nebraska.gov](mailto:David.Morris(at)nebraska.gov).
