(Chadron)-The Chadron Middle School held their annual Veteran's Day program this morning at the Chadron High School auditorium. Introduction to the program was made by CMS student Alex Nobiling.

The ceremony included a moment of silence for veterans and current military members serving our country. The Chadron High School band performed the National Anthem as well as God Bless America. The keynote speaker was Pat Mracek, who had lost her son in the line of duty.

The program concluded as students presented flags of each of the branches of military and recognized all veterans in attendance at the program.
