(Chadron)-The Chadron State Foundation, with the help of dozens of volunteers, added \$177,370 to its funds to help provide scholarships and a wide range of other campus support.

Volunteers of the foundation's annual fall fundraising campaign gathered at a Chadron restaurant Monday to celebrate the successful effort. The volunteers solicited funds from throughout the region during a three-week period beginning Oct. 10.

Since 1988, the foundation's assets have grown to more than \$18 million. During that period, the combined net funds raised from the annual campaign and the student phonathon have grown from \$186,000 to about half a million dollars.
