(Chadron)-Chadron State College's Dorset Graves' Library Lecture Series will continue tonight on the CSC Campus, and the event is open to the public.

Beginning at 7:00PM in the King Library's Intellectual Living Room, which is room 108, Dr. George Griffith, CSC Professor of English and Humanities, will be presenting "The Wit of the Irish." Light refreshments will be served. All are welcome to attend.

The series is named in honor of Dr. Dorset Graves, chairman of the CSC Division of Language and Literature for 29 years. After he ended his 32-year full-time faculty career in 1990, he continued to serve as an adjunct, or part-time, faculty member for 15 years.
