At 9:00 a.m., the commissioners will convene as the Board of Equalization to consider correction sheets presented by county assessor Trudy Winter and discuss pending legislation as it may effect property evaluations and other county functions.

The county board meeting will follow at 9:15 a.m. On the agenda are a request for use of the county court room, bid openings for a semi, a conditional use permit request, a request for closed session to discuss personnel issues, and a opportunity for public comment.

This is not intended to be a complete agenda. The complete agenda is kept continuously current in the county clerk's office and can be amended up to 24 hours prior to the meeting.
