(Hot Springs)-A Hot Springs man, who is also a veteran, was found dead Wednesday. A press release from the VA Black Hills Health Care System announced Thursday morning that the man was served by their facility.

He was found in the community of Hot Springs Wednesday evening. No further details are available at this time. The Hot Springs City Police Department is investigating this unfortunate event and further questions should be directed to them.

Steve DiStasio, VA BHHCS Director, said in a statement that whenever the facility learns of the death of a Veteran it saddens all who work there. He said that was the case Wednesday night when it was learned of the death. DiStasio extended thoughts and prayers go to his family and friends.
