He is an excellent choice to lead CSC into our second century of service." Karen Pope, co-chair of the inauguration committee, agreed, "Dr. Rhine has a special passion for students and helping facilitate their growth and development. Since student success is a critical focus for Dr. Rhine, the College community is commemorating his inauguration by establishing a scholarship in his name. In lieu of gifts, people are welcome to contribute to the Rhine Legacy

Scholarship through the Foundation Office.”

A native of Arkansas, Rhine came to CSC from Billings, Mont. in 2005, shortly after former CSC President Janie Park joined ChadronState. Under Dr. Rhine’s leadership while serving as the vice president of student services and enrollment management, CSC’s enrollment grew from 2,600 in 2005 to more than 3,000 in the fall of 2012. Dr. Park will be a featured speaker at the inauguration prior to the formal investiture.

Rhine earned all three of his degrees from the University of Arkansas at Fayetteville. He was a member of that institution’s division of continuing education for 12 years, serving approximately four years each as director of conferences, assistant dean and associate dean. He and his wife, Ann, reside in Chadron. They have two adult children, Rachael and John.
