(S.D.)-Call Line Activated For Citizens With State Government Issues

By: Roxie Graham-Marski Posted at: 04/10/2013 12:58 PM

(PIERRE, S.D.)-With state government offices closed because of the spring storm, a call center has been activated for citizens with urgent questions of state agencies.

As always, citizens with an emergency should call 911. Citizens with urgent calls regarding state government offices may call 866-320-2740.

For routine state business, citizens are asked to be patient and contact the appropriate office once the storm has passed and offices are re-opened.
