(Neb.)- NRPPD Crews Continue Attempts To Restore Power

By: Jeremy Anderson Posted at: 04/10/2013 08:24 AM

(Chadron)-Northwest Rural Public Power District crews are back out attempting to get to those lines that are out. This attempt will either be through the snow drifts with front end loaders or over the snow drifts with snow machines. The visibility has improved significantly which should speed things up. If you see any poles down or wire down or wrapped wire , please call NRPPD.
