By: Jeremy Anderson Posted at: 05/17/2013 08:11 AM

(Hot Springs)- The Keep Hot Springs Beautiful group is now accepting applications for their Garden Giveaway through May 31st. The hope of KSHB is to provide families with healthy food choices and allow them to raise a garden in a limited space. Businesses will also have the opportunity to have a garden, but with flowers.

To be considered for the Garden Giveaway you must reside in or have a business in Hot Springs. You must be willing to share a picture or a story of your garden in need, and have the application appropriately submitted on May 31st. Applicants will be selected on the basis of need, and meeting all other requirements.

The garden kits will include a self-watering container, potting soil mix, fertilizer, dolomite, instruction sheets, and plants.

Those selected will meet Saturday, June 8th and will meet from 8:00 a.m. to Noon at the Mueller Center. The Garden Giveaway was made possible for KSHB by a \$5000 grant.
