(Neb.)-Community Fire Update Meeting To Be Held In Chadron

By: Chris Fankhauser Posted at: 04/16/2013 10:55 AM

(Chadron)-The 2012 fire season left behind large footprints on the Panhandle landscape and calls to question what 2013 will bring. The county commissioners in the northern Panhandle counties will host a Community Fire Recovery Update. This timely meeting will provide follow-up planning efforts established early last fall that include grazing land management options, addressing fire killed trees, fence reconstruction, reforestation and supporting those who are grieving losses from the fires. The meeting will be Monday, April 29th at the Chadron State College Student Center ball room starting at 5:30 pm (MT).

The commissioners from Dawes, Sioux and Sheridan counties are inviting anyone affected by the fires to attend the meeting and take part in the facilitated update of information. This meeting will have a full agenda of presentations with display tables available for information and question/answer sessions.

For more information please contact Dawes County Commissioner Stacy Swinney at 432-2759, Sheridan County Commissioner James Krotz at 327-2110, or Sioux County Commissioner Kevin Lotton at 453-2305.
