(Neb.)-Area Ranchers Protect Livestock Against Severe Snow Storms  [Listen](#)

By: Jeremy Anderson Posted at: 04/16/2013 02:33 PM

(Chadron)- April has already produced one large snow storm while another storm system will make its way through the area this week. It has left farmers with a sense of relief with a result in moisture, but has left some ranchers in a loss as some saw minor losses in livestock. Scott Cotton, Dawes County Extension Educator tells KCSR/KBPY News what some ranchers will do for protection against livestock fatalities during severe winter weather.

Sound In Story

Cotton says that most farmers and ranchers always have an eye on the weather.
