LINCOLN, Neb. (ASSOCIATED PRESS) - Nebraska officials are warning about an unauthorized website that might be intended to collect confidential information.

The Department of Health and Human Services says the website is modeled after its ACCESSNebraska government website, which offers online applications for economic aid and Medicaid benefits.

The correct website is www.accessnebraska.ne.gov. Officials say the unauthorized, unaffiliated website ends in ".com".

Officials say all department websites end with ".gov," and include the words "Official Nebraska Government Website" at the top of all webpages.
