By: Roxie Graham-Marski Posted at: 08/29/2013 11:50 AM

(RAPID CITY, S.D.)-Boaters and anglers will find an improved boat ramp at Sheridan Lake this September.

Crews will be installing a concrete apron at the approach to the south boat ramp near Calumet Bay right after Labor Day weekend.

The south boat ramp is located adjacent to the campground and will be closed for one week starting Wednesday, September 4th, to allow crews to complete the work.

The north ramp at Sheridan Lake located adjacent to the marina and swim beach will be open for use during this time.
