(Rushville)-Numbers are closer to being finalized for a fundraiser that took place last week in Gordon. Staff at Sides & Milburn Ford would like to thank the Booster Club and Gordon-RushvillePublic Schools for helping and supporting the Drive4URSchool on August 23rd.

They would also like to thank all of the community members and surrounding communities for coming and supporting the event. According to a press release from Sides & Milburn, they had 164 test drives that night which should net the school/booster club \$3,280.00.

Ford still has to validate the forms and make sure the T's are crossed and I's are dotted for it to be official. It will take up to six weeks to get a check for the school. Earlier in the week, it was reported that another \$800 was raised from a meal sold during the event.
