(Neb.)-Hail, High Winds Blast Hay Springs Area Friday

By: Dennis and Kathi Brown Posted at: 08/31/2013 01:36 AM

(Hay Springs, Nebraska)-The National Weather Service says hail the size of golf balls and winds to 60 miles per hour hit an area around Hay Springs late Friday afternoon.

Damage was reported to trees, some windows were broken around Hay Springs and at least one car windshield was broken out. Hail up to seven inches deep was also reported.

Power was reported to be out in the Hay Springs area for a few hours Friday,

So far no injuries from the storm have been reported.

We will have more information on the storm as it becomes available.
