By: Jeremy Anderson Posted at: 08/16/2013 10:56 AM

(Chadron)- Chadron Public Schools resumed classes on Thursday, August 15th. Chadron Public Schools Superintendent Dr. Caroline Winchester says that the first day appeared to go very smoothly, with students looking enthusiastic. Winchester says that open houses hosted at the primary and intermediate buildings went very well with great turnouts from students and their parents.

Another compliment that Winchester said was heard commonly on Thursday were from Kindergarten parents raving about the summer programs for children entering their first year of school. The program held was developed as a tool to help children transition into kindergarten.

The high school will host an open house on Tuesday evening from 6:00 p.m. to 7:30 p.m. as an opportunity for parents to meet CHS staff.
