(Neb.)-CSC's Shuck Receives Promotion

By: Chris Fankhauser Posted at: 07/02/2013 10:02 AM

(Chadron)-Creative Dining Services has announced that Tracy Shuck has been promoted to Resident Operations Director. In this role, Shuck will continue to serve as the head of Chadron State Dining Services and will continue to have his office at CSC.

Shuck will also have oversight of three additional accounts - Chadron Public Schools, Gordon/Rushville Public Schools, and Bridgeport Public Schools.

Shuck has been the Director of CSC Dining Services for 13 years. He and his wife, Shannon, have two children.

Shuck said he would like to thank CDS for the opportunity and confidence in him to do the job, the CSC Dining Staff for their hard work and his wife, Shannon, for the years of support to get to this point in his career. He thinks it will be a great challenge. According to Shuck, the K-12 market segment is ever-changing so it's going to be good. For the last couple of years he has been assisting with the K-12s but now CDS has given that program to him to lead and he said he is grateful for the opportunity.

In a press release, Nicholas Saccaro, vice president of operations for Creative Dining Services, said, "We are so grateful for the exceptional work Tracy has been doing at CSC and in supporting the Creative Dining organization and other nearby accounts as well. Tracy's work ethic, strong operational performance, commitment to Chadron State, and representation of our core values of integrity make him a natural fit for his new role. Quite simply, he has earned this promotion."
