(Colo.)-Jaguars QB Gabbert won't play against Broncos

JACKSONVILLE, Fla. (AP) — Blaine Gabbert is back on the bench.

Jacksonville Jaguars coach Gus Bradley says he expects Gabbert to miss Sunday's game at Denver because of a strained hamstring. The injury knocked Gabbert out of Sunday's 34-20 loss at St. Louis.

Chad Henne will make his third start of the season.

Gabbert has failed to finish six of his last 10 starts, including the preseason. He's had a shoulder injury, a forearm injury, a broken thumb and a sliced-open hand. He also missed time with a sprained ankle in training camp.

Bradley says Gabbert's injury history is "something we have to take a look at." He adds: "You have to trust that he'll stay healthy."

The Jaguars (0-5) are 28-point underdogs at the Broncos, the largest spread in NFL history.
