CHADRON – Kristina Harter, a 2013 Chadron State College graduate and former volleyball player, is the new graduate assistant for the sports information department.

Harter, a native of Colorado Springs, Colo., comes to Chadron State after working as a USA Volleyball communications intern since May 2013. At USA Volleyball, she assisted in media development working closely with the U.S. beach and indoor volleyball teams and events. Her primary duties included writing press releases, social medial implementation, event coverage and conducting coach and player interviews.

Harter played collegiate volleyball for Chardon State where she was a three-time RMAC All-Academic Honor Roll honoree and named the 2013 Scholar-Athlete of the Year. She finished her career as one of four CSC players to accumulate over 1,000 digs – she has over 1,100 in her career – and averaged over four digs per set. She graduated with a bachelor's degree in communication arts in May 2013.
