

Chadron Community Hospital & Health Services

Chadron Community Hospital & Health Services

WCHR (Alliance) is seeking a full-time Service Coordinator.

The Service Coordinator is responsible for identification, referral, and coordination of services for adults, children, and/or families. The Service Coordinator also serves as the single point of contact in helping clients gain needed service and assistance with local resources. Applicants are recommended to have experience working with families, young children, infants and toddlers, youth, and adults, have experience with a broad variety of community agencies that provide services, and have experience working with culturally diverse individuals and families. Educational degree area may include Social Work, Criminal Justice, Psychology or Counseling. The Service Coordinator position provides “case management” duties for all consumers in their caseload. Excellent benefit package.
