Job Location:

Chadron, Nebraska

Job

IMPORTANT NOTE: You must be registered or licensed with DHHS Nebraska Licensure Unit.

DEFINITION

Under general direction, to provide assessments, diagnoses, prognoses, counseling and psychotherapeutic treatment for clients; to provide education, consultation services, and training for other staff, community agencies, and the public; and to do related work as required.

REPORTS TO:

Amanda Price LMHP, LPC. Owner of Inspirit Counseling

SUPERVISED

PLMHP's will be directly supervised by Amanda Price

TYPICAL PHYSICAL REQUIREMENTS

Sit for extended periods; frequently stand and walk; normal manual dexterity and eye-hand coordination; lift and move objects weighing up to 25 lbs.; corrected hearing and vision to normal range; verbal communication; use of office equipment, including computer, telephone, calculator, copiers, and FAX.

TYPICAL WORKING CONDITIONS

Work is performed in an office or school; work is performed with people who may exhibit unstable and potentially violent behavior; continuous contact with other staff and the public.

Examples of Duties / Knowledge & Skills

(The following is used as a partial description and is not restrictive as to duties required.)

Meets with individuals, families, and groups in office and school settings to develop client centered service plans

Provides direction for client mental health and community activities
Assists clients with understanding their problems and developing plans to resolve them

Provides a variety of Mental Health counseling and therapy for clients and their families

Works with clients' families to secure their cooperation in treatment programs
Advises clients on available community resources and serves as a liaison with organizations and service agencies
Makes referrals and other arrangements for client treatment and service, as necessary
Serves as a consultant for other Mental Health staff
Prepares and present progress reports on assigned cases
Cooperates with professionals from other disciplines in the development of team and collaborative diagnoses and treatment programs
Develops recommendations for discharge and follow-up treatment planning for clients and their families
May be assigned administrative responsibilities, including scheduling and case assignments
Performs crisis intervention
Other duties as assigned.

Minimum qualifications & Requirements

Education: Equivalent to a Master's degree in psychology, social work, marriage and family counseling, or a related field from an accredited college or university.

Special Requirements:

Possession of a license as a PLMHP or LMHP issued by the State of Nebraska.
Possession of, or ability to obtain, an appropriate valid Nebraska Driver's License.

Supplemental information

Knowledge of: Principles, techniques and trends in counseling, psychotherapy, and various treatment modalities.

Biological, behavioral and environmental aspects of emotional disturbances, mental disability, retardation, and substance abuse.

The scope and activities of public and private health and welfare agencies and other available community resources.

Identification of individual, social, and environmental problems and their analysis and resolution in existing social contexts.

Ability to:

Perform a variety of complex psychiatric social work and psychotherapy for Mental Health Department clients.
Develop clear and comprehensive case records and documentation.
Develop and maintain cooperative, constructive relationships with families of clients, members of other professional disciplines, social agencies, and other staff.
Prepare treatment plans, client treatment recommendations, and a variety of reports.
Organize and manage a caseload.
Define a therapist's role and deal with clients in a variety of circumstances and settings in accordance with professional standards and ethics.
Conceptualize and prioritize the problems of mentally disordered persons, determining their needs, services, and appropriate treatment methods.
Integrate a number of clinical approaches into a treatment plan.
Recognize a potential crisis and deliver crisis intervention services.
Handle stress and unstable client behavior.
Work with people from a diversity of ethnic and cultural backgrounds.
Effectively represent Inspirit Counseling in contacts with clients, the public, community organizations, and other government agencies.
