

Petersen Drug Openings

Petersen Drug has an opening for a **Home Health Sales Clerk** to assist customers with research of products for their medical equipment needs, answer insurance questions, take phone calls regarding durable medical equipment (DME), and assist with delivery. Please stop in to pick up an application or leave a resume at 302 Main Street in Chadron.

Petersen Drug also has an opening for a part-time or full-time **Pharmacist** to work in our pharmacy, dispensing drugs prescribed by physicians and other health practitioners and providing information to patients about medications and their use. Please stop in to pick up an application or leave a resume at 302 Main Street in Chadron.

Petersen Drug also has an opening for an experienced full-time **Pharmacy Technician**. The Pharmacy Technician works under the direction of the Pharmacist and fills and enters data regarding all prescriptions. The Pharmacy Technician is also responsible for ordering and stocking of pharmacy supplies and products; for billing of pharmaceuticals, and for obtaining prior authorizations or other insurance processing information as may be necessary; for assisting clients with questions; and for assisting with deliveries. Please stop in to pick up an application or leave a resume at 302 Main Street in Chadron.
