

VOTE VIC RIVERA

DAWES COUNTY COMMISSIONER DISTRICT 2

REPUBLICAN

My name is Vic Rivera, Dawes County Commissioner for District 2.

I would like to thank everyone that supported me in the last election. It has been a privilege to serve the citizens of Dawes County. Once again, I am asking for your support.

As your county commissioner my first responsibility is to the citizens. I am committed to positive, common sense solutions and accountability in dealing with county issues. I believe that property tax increases are not the only answer to our budget problems and we need to be creative in finding other solutions.

We have made good progress in the last 3 years in addressing the maintenance of country roads. With the assistance of the Dawes county road committee, we continue to strive to develop a road maintenance plan that will benefit all residents of Dawes County.

In the past 3 years we have completed several projects, with others currently in progress.

I would like to emphasize that this is only the beginning. There is still a lot more to do, with your continued support I believe that we can accomplish much.

One example, was the Airport Zoning issue. Citizens continued to make their voices heard at several meetings that were held, therefore enabling the commissioners to make the best decision for Dawes County.

In order to keep the momentum going in the right direction, I welcome your constructive feedback on all issues concerning Dawes County.

You can contact me at 308-487-5658 (home) or 308-665-5316 (cell) with any concerns or questions you may have.

Your support is greatly appreciated.

Vic Rivera

Dawes County Commissioner District 2
