

Chadron Community Hospital & Health Services

Chadron Community Hospital & Health Services

Western Community Health Resources (WCHR) Chadron office is seeking a full-time Case Manager to work with adults and youth who have mental health issues and/or substance abuse issues. Duties include (but are not limited to) assisting clients in finding housing, visiting with clients on a regular basis either in the client's home or in the community. Connecting and referring clients to resources in the community and assisting clients in applying for disability and other benefits.

The position requires a valid driver's license, working vehicle and valid insurance. The ideal candidate will have a Bachelor's Degree in Social Work or other related field but equivalent experience working with people with mental illness and/or case management will be considered.

Applications Available at Chadron Community Hospital & www.chadronhospital.com.
