(Neb)-Natural Causes Listed In Death Of Hay Springs Man Found In Chadron Park

CHADRON - Dawes County Attorney Vance Haug says a Hay Springs man found dead in his pickup at Chadron's Wilson Park Friday afternoon apparently died of natural causes.

Haug says 58-year old Scott Parker had gone to the park shortly before noon for his lunch break at work. When he failed to return, a coworker went to the park and...along with a passerby, found Parker nonresponsive in his pickup.

The Chadron Rescue Squad was called and arrived almost immediately, but Parker never regained consciousness and was pronounced dead.

Haug says the preliminary investigation leads him to conclude Parker died of natural causes, but an autopsy was scheduled for Monday morning to help officially determine the cause of death.
