(Neb)-Natural Causes In Death Of Retired CSC Prof Jim Kaus

By: John Axtell Posted at: 08/12/2019 03:40 PM

CHADRON - Dawes County Attorney and Coroner Vance Haug says the death of a retired Chadron State College professor Saturday night or Sunday morning was apparently the result of natural causes.

Jim Kaus was discovered at his home about 5:00 Sunday morning. Haug says an investigation of the scene and witness interviews by the Chadron Police Department, a review of medical records, and consultation with health care professionals led to the finding of natural causes.

Jim Kaus was a Colorado native who taught math at CSC from 1964 until he retired in 2002.
