**(Neb.)- Chadron City Council To Meet Tonight**

By: Jeremy Anderson Posted at: 07/01/2019 08:07 AM

(Chadrad News)- The Chadron City Council meets tonight in regular session at 6:00 pm at City Hall with a relatively light agenda that includes requests from 3 organizations for city development funds for specific projects.

One is for the new downtown plaza on the former parking lot on the northeast corner of 2nd and Main Streets. The money being sought is to purchase shade sails for temporary shading and for new fencing to mark the north end of the plaza adjacent to The Ridge.

The Chadron Girls Softball Association is asking for funds for additional fencing at Hampton Field, and Northwest Community Action Partnership is seeking money to replace the front door at the Head Start facility on Spruce Street.
