CHADRON - A Chadron man is in jail on child pornography and sex charges following a quick moving investigation and sting by Chadron police.

37-year old Jonathan Lame is being held on \$50,000 bail on counts of possession and attempted possession of child pornography, attempted sexual assault of a child and attempted incest.

Chadron Police Chief Tim Lordino says the case began yesterday afternoon when police received a report that Lame was trying to get a 12-year old girl to text him nude photographs of herself.

A short time later, an officer posing as the girl texted Lame to meet in Wilson Park and he was arrested when he arrived.

Chadron police then obtained a search warrant for Lame's home, where they seized computers, a gaming console, cellular phones and other media storage devices.

Three children, all under the age of 12, were removed from the Lame home and released into the custody of Nebraska Health and Human Services.
