(Neb.)-Chadron School Board Approves Pod Lighting Proposal [Listen](#)

By: Jeremy Anderson Posted at: 03/12/2013 02:53 PM

(Chadron)-The Chadron School board approved a proposal that would allow for a high school pod lighting project. The pod lighting would take place in the high school classrooms. Chadron Schools Superintendent Dr. Caroline Winchester explains to KCSR news the pod lighting features and the kind of energy saving proficiency it will have.

Sound In Story

Winchester said that one of their main prerogatives in the pod lighting was aiming towards a benefit for the students.

Sound In Story

The pod lighting systems will be conducted of LED lights, with separate emergency lights attached to the classroom walls.
