(Neb.)-Water Coolers To Perform At Chadron State College Next Week

By: Roxie Graham-Marski Posted at: 03/13/2013 07:31 AM

(CHADRON)-Next Thursday, Chadron State College will host The Water Coolers, a new York-based music and comedy group that uses Broadway talent to satirically celebrate the things we share around the water cooler at work, such as balancing life, kids, spouses, travel and technology. Think Seinfeld set to music. The event will take place at 7:30 p.m. in Memorial Hall.

The act was conceived by consultant and former conference planner Sally Allen with actor and comedy writer Thomas Michael Allen. Although it was created specifically for the meetings industry, the act crossed over and went mainstream in 2002. The Water Coolers enjoyed a smash Off-Broadway engagement in the fall of 2002, did a limited national tour in 2003 and continues to make corporate and theatrical audiences roar all around the country.

Tickets are available by calling the Memorial Hall box office at 308-432-6207 on Monday through Friday between the hours of 2:00 p.m.-6:00 p.m.
