(Neb.)-CSC Students Encouraged To Get Registered This Week

By: Chris Fankhauser Posted at: 02/25/2014 09:19 AM

(Chadron)- The theme for this week at Chadron State College is "Get Registered". Faculty advisors have been meeting with students throughout the month of February to discuss class schedules for the upcoming summer, fall and spring terms.

All levels of students have been able to register using MyCSC since February 17.

Teams of advisors and student services personnel will be available to assist current students with the registration process in the Student Center today (Tuesday) from 10 a.m.-2 p.m. and 4-6 p.m.

On Wednesday, advisor teams will be stationed in the King Library-Learning Commons from 10 a.m.-2 p.m. and on Feb. 27 in the Gold Room from 10 a.m.-2 p.m.

Student volunteers from various campus groups will also be on-hand to assist with routing students who wish to register at each location. Information Technology staff members are also planning to support the events by being available to help students with password resets and any other technical issues.

Dr. Lisette Leesch, a member of the advising and registration event committee, said, "Faculty advisors are excited to meet and talk one-on-one with students about their academic schedules."
