(Chadrad Sports)- The Colorado Rockies begin the final week of the 1st half of the season looking to sustain their position in the National League Wildcard standings.

The Rockies split with NL West Division leading Los Angeles Dodgers last weekend, and jump out of the National League with a pair of games against AL West leading Houston starting tonight.

Colorado has struggled over the last 10, going 4-6, but five of those losses were to the Dodgers. Houston hasn't been much better than the Rockies lately, going 5-5, but have won 3 in a row.

It was also announced over the weekend that Rockies outfielders Charlie Blackmon, David Dahl, short stop Trevor Story, and 3rd baseman Nolan Arenado were named to the National League team for the upcoming MLB All-Star Game. For Dahl, it will be his first appearance.

Rockies on Deck tonight begins at 5:30 pm.
