(Lincoln)- Nebraska sophomore running back Maurice Washington was cited by University Police on suspicion of possessing drug paraphernalia early Tuesday.

Washington was cited and released, police said

In a statement from the university, "We are aware of the situation and are addressing it."

Washington, 19, is also facing two charges — one a felony — in California stemming from an incident in which he allegedly sent an ex-girlfriend a years-old, sexually explicit video.

His next scheduled court date in that case is June 12.
