

**The DOVES Program  
Chadron Client Advocate**

The DOVES Program is seeking a part-time Client Advocate in our Chadron office. This position is vital to ensuring survivors of sexual, domestic and dating violence throughout Dawes and Sheridan Counties have access to strengths-centered and empowerment-based services. In addition, this position will provide important prevention and awareness services to the community.

- Resumes will be reviewed as they are received.
- Applicants will be contacted at the e-mail address provided on the application.

The right candidate will uphold the highest standard of confidentiality, maintain a compassionate and professional approach while working with families in crisis, be enthusiastic about sharing our mission and vision with the community, be self-motivated and excel while working independently, and demonstrate critical thinking strategies and appropriate decision-making. Individuals who speak both English & Spanish are strongly encouraged to apply.
