

Eagles Rest RV Park Seeks Maintenance Technician

The Eagles Rest RV Park is currently seeking a full-time experienced Maintenance Technician for their busy RV and Mobile Home Park.

The individual would be responsible for performing maintenance and repair of property buildings, grounds, and rental units. The position requires basic knowledge of plumbing and electrical, carpentry skills, painting, roofing, drywall and mudding, floor installation and repair, window/door installation and repair, grounds maintenance, etc.

They are looking for a team player with a good work ethic...someone with strong organizational skills, self-motivated, and dependable.

Please apply at Eagles Rest RV Park, located at 1 Stockade Rd in Chadron, or by calling 308-432-4349.
